

# Ferham Primary School

15<sup>th</sup> January 2021

## Home learning links

We are temporarily pausing our attendance hampers during lockdown. This section will instead give you links to useful websites or home learning ideas.

Have a look at the Activall website for loads of short videos to help children keep active.

## Remote learning champions

Since returning to school in January we have given out many rewards and certificates.

Miss Montgomery will be sending home weekly certificates to children engaging with learning (at home or school). One super star learner will win a brand new bike at the end of term.

## Contact with Parents

We have a duty of care to the children in our school. The adults in school will try to make contact with you, and them, throughout the week during lockdown. If someone from school does ring, **please speak with them**. It is imperative that we know how the children are progressing with their learning and if they are safe and well.

If we do not manage to contact you or your child, we may have safeguarding concerns for the welfare of your child.

## Devices

We have requested more devices from the Department for Education. Once these arrive, will contact parents and you are welcome to borrow one from school during lockdown. These are to support children with their learning and enable them to access the online learning provided by school. If you need to borrow a device, please contact the office and we will add you to the waiting list. They will ask you to come and collect the device and sign a contract for the loan period.

## Remote learning

A reminder that all remote learning is on the school website. If your child is off school, please look at the website/class dojo for the learning they should be doing at home. If you need any paper packs, please phone and ask and you can collect these from school. The assemblies are also all on the website:
